Welcome Volunteers!

The volunteer program at the Colton Joint Unified School District (CJUSD) is designed to encourage volunteer participation, while ensuring that steps are taken to protect the safety and interests of our students. We thank you and support your efforts in helping our students and school staff.

A school volunteer is a person who is willing to take time to share wisdom and experience with those on the threshold of the future...our students. A school volunteer helps to expand and enrich the students' learning experiences by working under the direction of school staff and administrators.

Education is a team effort, and volunteers are a very critical part of the school team. Your involvement on our campus shows our students that you are concerned, that you value them as young adults, and that you want to help them succeed and be the best they can be.

It is our hope that the *District Volunteer Handbook* will serve as a reference for our volunteers. These guidelines have been established to provide a highly effective program that ensures a safe environment for the volunteer, the students, and our staff members.

We are extremely appreciative of our community resources and thank you for providing your precious time, individual talents, and expertise as a school volunteer.

Definition of a Volunteer/Chaperone

A volunteer is a person who is at least 18 years old (21 years or older for chaperones), who renders service to the District and its programs without receiving remuneration (monetary compensation, etc.) of any kind. A volunteer may be a parent, District employee (outside of course and scope of employment), or community member who submits an application and completes the necessary requirements to participate in the District's Volunteer Program. Volunteers have student contact in classrooms, on field trips and excursions, and/or through athletic and extracurricular activities. Chaperones shall be assigned a prescribed group of students and shall be responsible for the continuous monitoring of these students' activities.

**Parents participating in "one-time" activities such as: Guest Speakers, Dr. Seuss Day, Superhero Day, etc. do not need to be fingerprinted. Parents participating in groups such as: SSC, ELAC, PTA, PTO, or Boosters, do not need to be fingerprinted unless they are participating in classroom observations, field trips, or as a volunteer at a school site.*

Getting Started

Tuberculosis Clearance

All volunteers must have a negative Tuberculosis (TB) clearance administered within the past sixty (60) days of submitting their volunteer application from their family physician, or approved health care agency/provider. A negative TB test is accepted if you are a recurring volunteer within the last 4 years of a negative reading. The cost of the TB clearance shall be borne by the prospective volunteer.

NOTE: If the volunteer has a lapse within the 4 years they will not be considered recurring. Therefore, the volunteer will need to provide a negative Tuberculosis (TB) clearance within sixty (60) days upon return for volunteering.

Tuberculosis cost and locations for Volunteers:

Keystone Industrial Medicine 909-521-8818 Cost \$20.00 and picture identification required.

San Bernardino Health Department 1-800-722-4777 Cost \$20.00 appointment only.

Guideline for Volunteers

Students observe and learn from the behavior of the adults around them. Volunteers are expected to exhibit proper decorum, good manners, and respect and kindness towards students and adults alike. Volunteers should not try to be a peer or buddy to students; our students are best served when adults behave responsibly.

Volunteers serve at the discretion of the administrator, teacher, or other district personnel and should not

Volunteering Responsibilities

By volunteering with the Colton Joint Unified School District, you have a responsibility to the District and your fellow volunteers to adhere to certain rules of behavior and conduct. The purpose of these rules is not to restrict your rights, but rather to be certain that the learning environment is not compromised. When a person is aware that he or she can fully depend upon others to follow the rules of conduct, then our organization is a better place to work for everyone. Volunteers should become familiar with the specific rules at the site(s) at which they volunteer.

The following guidelines must be followed by all volunteers:

Develop a partnership with an assigned teacher or staff member.

Dress professionally at all times.

Become familiar with the bell schedule at your school.

Become familiar with the location of restrooms, school grounds, parking areas, etc.

Review the school's emergency, disaster, fire, and evacuation procedures.

Become familiar with the *District Volunteer Handbook*.

Abide by all applicable school rules and District policies and regulations.

Maintain a drug-free workplace. Employees and volunteers are prohibited from being intoxicated or under the influence of controlled substances while volunteering; use, possession, or sale of a controlled substance in any quantity while on District premises (except medications prescribed by a physician, which do not impair volunteer performance) is prohibited. Any incident will result in immediate dismissal.

Do not solicit or sell products, services, etc. on District property.

Use only adult restroom facilities.

Do not exchange telephone numbers, home addresses, or email addresses, (including social network information) with students for any purpose.

Do not disclose, use, or disseminate student photographs or personal information about students, self, or others.

Do not post, transmit, publish, or display harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as any form of harassment.
